SCHOOL FINANCE MEMORANDUM 04-060

TO: District Superintendents, Business Managers

FROM: Philip Williams
Deputy Associate Superintendent, School Finance Unit

DATE: September 27, 2004

SUBJECT: FY 2003-04 funding for Certificate of Education, A & B

Funding for FY 2003-04 Certificates of Education (CEC), both A and B has been calculated and is being distributed pursuant to A.R.S. §15-825. Due to the extension allowing districts to continue uploading student detail through August 20, 2004, the processing of these calculations were delayed. Due to the close of the FY2003-2004 year, the CEC-A and CEC-B payments must now be processed as administrative adjustments. Thirty (30) days is the minimum requirement for processing administrative adjustments payments.

The appropriation for FY 2003-04 CEC B was only \$269,900, which is insufficient to fully fund all CEC B students. As a result, pursuant to A.R.S. §15-825(F), each district's CEC B funding was prorated to reflect the shortfall. Please see the report for the calculation used in prorating appropriated funds.

A.R.S. §15-824(D) provides the legislative authority for the state to pay tuition for CEC A students with Group B disabilities. CEC A students, with Group B disabilities, are being fully funded.
